

Energy Policy and the Ontario Economy: 2018 Update

- The key points made in the 2017 Roundtable presentation;
- How the 2017 LTEP and the 2018 June provincial election could potentially impact Ontario's energy and climate policy future;
- What the critical energy policy issues are, regardless of the outcome of the election; and,
- What are the principal economic and fiscal risks which impact or flow from our energy policy choices.
