## THE COUNCIL FOR CLEAN & RELIABLE ENERGY

[thinkingenergy.ca](http://thinkingenergy.ca)

The Council for Clean & Reliable Energy (CCRE) is a federally incorporated non-profit organization that provides a platform for dialogue and analysis on subjects related to energy policy. The CCRE was formed by a group representing academia, public and private sector business leaders, and labour.

The Council understands the value of creating a broader and more inclusive public discourse. During the last decade, the Council has facilitated conferences, thought leaders' roundtables, distributed opinioned publications, and shared knowledge and expertise. Its efforts have been recognized and appreciated by decision-makers in government and the energy business as providing a neutral forum for the free exchange of ideas and opinions. The Council remains committed to continuing to facilitate debate on the generation, transmission and distribution of clean, affordable and reliable energy with a clear focus on finding effective solutions for Canada and abroad.

## IVEY ENERGY POLICY AND MANAGEMENT CENTRE

[ivey.uwo.ca/energycentre](http://ivey.uwo.ca/energycentre)

The Ivey Energy Policy and Management Centre is the centre of expertise at the Ivey Business School focused on national energy business issues and public policies. It conducts and disseminates first class research on energy policy; and promotes informed debate on public policy in the sector through supporting conferences and workshops that bring together industry, government, academia and other stakeholders in a neutral forum. The Centre draws on leading edge research by Ivey faculty as well as by faculty within Western University.

## POWER WORKERS' UNION

[pwu.ca](http://pwu.ca)

The Power Workers' Union (PWU) is Ontario's largest electricity sector union representing over 16,000 highly skilled men and women who help generate and deliver electricity to Ontario's homes and businesses. For over seven decades, the PWU has successfully influenced and adapted to the continually evolving electricity sector challenges creating the most opportunities for sustainable, high-value jobs, safe working conditions; decent benefits and retirement security; and better energy policies for all Ontarians. As one of Canada's strongest and most progressive unions, the PWU remains committed to using its knowledge, experience, and expertise to secure a promising future for our membership while helping to keep the lights on for all Ontarians.
